ENVIRONMENT, SAFETY & HEALTH DIVISION

Applicability: This form applies to the entry of a permit-required confined space (PRCS) in which **the only hazard is atmospheric** and this hazard can be controlled and the space maintained safe for entry with continuous forced air ventilation (per 29 CFR 1910.146, c, 5). If conditions do not meet these requirements or for more information, see [Confined Space: Entry Procedures](#).

Instructions: This completed form (or equivalent subcontractor's SLAC-approved form) must be kept in the Work Planning and Control (WPC) work folder during the entry and sent to the confined space program manager (M/S 84) once work is completed.
