Revision Record: <https://www-internal.slac.stanford.edu/esh/docreview/reports/revisions.asp?ProductID=162>

Department: Field Safety and Building Inspection Office

Program: Confined Space

Authority: [ESH Manual, Chapter 6, Confined Space](#)

Date Effective: 15 October 2009

This form applies to the entry of a permit-required confined space (PRCS) in which the **only hazard is atmospheric** and this hazard can be controlled and the space maintained safe for entry with continuous forced air ventilation (per 29 CFR 1910.146, c, 5). The form (or equivalent subcontractor's SLAC-approved form) must be completed and posted at the work site during the entry and sent to the confined space program manager (M/S 84) once work is completed. If entry conditions do not meet requirements or for more information, see [Confined Space: Entry Procedures](#).
