

Confined Space Alternate Entry Form

Applicability. This form applies to the entry of a permit-required confined space (PRCS) in which **the only hazard is atmospheric** and this hazard can be controlled and the space maintained safe for entry with continuous forced air ventilation (per 8 CCR 5157 [c][5]).

Instructions. This form must be completed before anyone enters the space and kept at or near the entrance to the space during the entry. To ensure entry conditions are acceptable, this form is good for one day only. For work lasting more than one day, a separate form is needed for each day's work.
