

Average Change = -0.0007

Broken Red line is Average Value of Gap Change

Vertical lines represent Magnet Sub-Assembly break points

Change is the change in Gap width in the same YZ cross section plane (Previous Dataset Magnetic Centerline)

Change in Undulator Pole Tip Gap
 Current Dataset = 0005, Measured 21-MAY-2014
 Previous Dataset = 0002, Measured 01-JUL-2009

DATE: 27-MAY-2014

UNDULATOR # 02
