

Average Change = -0.0018

Broken Red line is Average Value of Gap Change

Vertical lines represent Magnet Sub-Assembly break points

Change is the change in Gap width in the same YZ cross section plane (Previous Dataset Magnetic Centerline)

Change in Undulator Pole Tip Gap
 Current Dataset = 0005, Measured 28-JUL-2014
 Previous Dataset = 0004, Measured 22-FEB-2012

DATE: 29-JUL-2014

UNDULATOR # 18
