

Average Change = -0.0009

Broken Red line is Average Value of Gap Change

Vertical lines represent Magnet Sub-Assembly break points

Change is the change in Gap width in the same YZ cross section plane (Previous Dataset Magnetic Centerline)

Change in Undulator Pole Tip Gap
 Current Dataset = 0045, Measured 22-OCT-2013
 Previous Dataset = 0013, Measured 23-OCT-2008

DATE: 12-AUG-2014

UNDULATOR # 13
