

Average Change = -0.0001

Broken Red line is Average Value of Gap Change

Vertical lines represent Magnet Sub-Assembly break points

Change is the change in Gap width in the same YZ cross section plane (Previous Dataset Magnetic Centerline)

Change in Undulator Pole Tip Gap
 Current Dataset = 0003, Measured 12-FEB-2013
 Previous Dataset = 0002, Measured 18-JUN-2008

DATE:11-AUG-2014

UNDULATOR # 29
