

The Purchasing Journey

What Is Our Vision for the Future?

Where are we going?

**Linear Coherent
Light Source (LCLS)**

**-Architect Engineer
award this
November**

**-Long lead items
RFP's in early CY
2004**

**-Contract Specialist
to support LCLS**

**Cost type contract to
be developed and
submitted to DOE by
12/03**

**More online ordering
(blanket order) contracts
similar to Corporate
Express & Grainger**

**Revamp the online BOR
System, move towards
loading info into
PeopleSoft**

Where are we going? (cont. 2)

**Buyers create their
own RFP's in
PeopleSoft**

**New Buyer Checklist
and Memo to File in
development**

**Summer student
will assist in P-
card audit**

**Chemical Management
System – chemicals & gas
managed by outside
contractor**

**Stores consolidation
and automation**

**Purchasing A/P – move
towards electronic
payment and invoicing**

**Buyers to begin to review
& approve invoices**

Resources

**Added a
temporary
buyer**

**Tom Murphy
assigned to Stores
to address issues**

**Aid from our summer
students (P-card, Stores,
Filing, Balanced
Scorecard)**

**Let's keep up the good work and
reach our goals!**
