FROM: Lee Lyon

DATE: December 16, 2002

SUBJECT: The Katherine E. Pope Summer Fellowship

SLAC is pleased to announce the availability of the second Katherine E. Pope Summer Fellowship.

The Fellowship was established to remember the life of Katherine E. Pope, an undergraduate student at Smith College in Massachusetts, who was working at SLAC under the direction of her physics advisor. Katherine was tragically killed in July 2001, riding a bicycle on her way to SLAC. Katherine was a young renaissance woman with a fascination not only for physics but also for history, art and animals. Her warm personality and sense of humor made her an excellent colleague. Even as an undergraduate, she had earned her place on the publication list for one of SLAC’s experiments. This fellowship honors Katherine Pope and encourages other undergraduates with an interest in science, especially physics, to pursue their academic interest at SLAC. The Pope Summer Fellowship will provide transportation to and from SLAC, a $500 per week stipend, and lodging for the time of the appointment.

Eligibility for the Katherine E. Pope Fellowship requires the following:

- Be an undergraduate student in one of the institutions whose faculty and students are participating in the research program at SLAC.
- Be available for a summer internship lasting for up to three months from June through August.
- Must have a sponsor for a summer project who is a SLAC user.
- Must have completed at least one year of undergraduate study prior to starting the internship.
- Must have a cumulative college GPA of 2.5 or higher.
- Must be authorized to work as documented by completion of the Immigration and Naturalization Service I-9 forms.
- Preference will be given to students with a project in experimental particle physics but will not be confined to physics majors.
Applications, **postmarked or sent no later than February 14, 2003**, should be sent to Erin Smith, Human Resources Department, Stanford Linear Accelerator Center, 2575 Sand Hill Road, Menlo Park, CA 94025, e-mailed via the Web, or faxed to (650) 926-4999.

The application form can be found at [http://www-group.slac.stanford.edu/hr/forms/summerfellowshipapp.html](http://www-group.slac.stanford.edu/hr/forms/summerfellowshipapp.html) on the SLAC web site and can be submitted via the Web or can be downloaded at [http://www-group.slac.stanford.edu/hr/forms/summerfellwoshipapp.pdf](http://www-group.slac.stanford.edu/hr/forms/summerfellwoshipapp.pdf) and completed and sent or faxed to SLAC.

**Please post this announcement at your home institution and distribute it to everyone in your collaboration or at your institution who might have potential applicants for the fellowship.** Additional information can be obtained by contacting me at (650)-926-2283 or lyon@slac.stanford.edu
