

SLAC MEMORANDUM

June 8, 2005

TO: Marc Ross and Keith Jobe

FROM: Tor Raubenheimer

Concurrences: Jonathan Dorfan, Director

Steve Williams, Chair Restart Validation Team

Persis Drell, Director Particle and Particle Astrophysics Directorate

Nancy Sanchez, Manager, DOE SLAC Site Office

SUBJECT: **NLCTA Restart Authorization**

The pre-restart items recommended by the NLCTA Restart Validation Team have been completed per attached confirmations. Thus the facility can resume operations by completing the normal startup procedures (BAS, etc.). Our research program can then resume.
